

It's our great honor to invite you to the 4th Beijing Ji Shui Tan International Wrist Arthroscopy Workshop which will be held on 15th November 2016 in Beijing.

You would enjoy the experts' demonstration and also practice wrist arthroscopy techniques on the anatomical specimens under the guidance of the table-instructors. We wish all the participants have a very fruitful and productive experience in the workshop.

Look forward to seeing you in Beijing, one of the most popular cities in the world, in the charming autumn.
